Dear Sir or Madam,

This letter responds to your FOIA request via email of 20 July 2012, received by Headquarters Marine Corps (HQMC) FOIA/PA on 23 July 2012.

On 5 September 2012, that office transferred the portion of the request, for "any requests for proposals, proposals submitted by vendors, contracts, budgets or cost allocations for the purchase and/or use of aerial drones, UAs, UAVs, and UASs (hereinafter "drones")" to this office, insofar as it pertains to commands under the cognizance of this organization. We have identified potentially responsive contracts awarded by Regional Contracting Office Marine Corps Installations West.

Based upon review of your web site, we have determined that your organization is a commercial requester.

Fees incurred during the processing of your request amount to \$714.00 total, for search \$146.00 and review \$568.00.

Please remit a check or money order, payable to the Treasurer of the United States, for the stated amount, to the following address:

Commanding General
Attn: FOIA Coordinator
Building 1160
Box 555010
Marine Corps Base
Camp Pendleton, CA 92055-5010

Because fees in this case exceed \$250, advance payment is required. Upon receipt of payment, we will forward the releasable portions of the documents you requested.

Sincerely,

A. PARRA
FOIA Coordinator
